

Care about your hands. We do!

TOG4B/G

Description

Cut resistant and impact resistant glove coated with sandy nitrile. Also available in Grey liner (TOG4G)

Materials

Liner : 13 gauge **Alkimos**® cut 4 and impact resistant liner

Coating : Nitrile with sandy finish

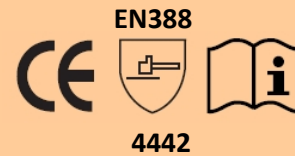

Size Available

S(7), M(8), L(9), XL(10), XXL(11)

CE Certification

EN420/EN388

Features

- Silicon made TPR pads offering excellent impact protection on both the back of a hand and fingers
- Softness of silicon TPR padding reducing hand fatigue compared to PVC and longer lasting
- Genuine **Alkimos**® cut yarn throughout the glove and not just on palm guaranteeing full cut resistant protection
- Nitrile with sandy surface offers good grip in both dry & wet environments and excellent oil & chemical resistance
- High degree of flexibility and durability with optimum dexterity
- Cuff with Velcro for secure fastening and opening making it easier on and off donning

Applications

- Oil & Gas industry
- Utility industry
- Mining
