

Care about your hands. We do!

TOG6

Description

Impact resistant glove coated with nitrile

Materials

Liner : 15 gauge seamless nylon liner

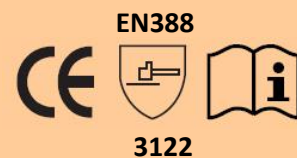

Coating : Sandy nitrile

Size Available

S(7), M(8), L(9), XL(10), XXL(11)

CE Certification

EN388/EN420

Features

- TPE pads offering excellent impact protection on both the back of a hand and fingers
- Softness of TPE pads reducing hand fatigue compared to PVC and longer lasting
- Sandy nitrile surface offering good grip in both dry & wet environments and excellent oil & chemical resistance
- High visibility liner making the glove highly visible
- Cuff opening making it easier to don on and off, also with Velcro for secure fastening

Applications

- Oil & Gas industry, fueling operations
- Utility industry, equipment maintenance, transportation
- Mining, ironwork, heavy construction
- racing/automotive

Packing (Gloves are washed prior to packing for a clean and safe use)
