

Care about your hands. We do!

TOG6W

Description

Impact resistant and winter glove coated with nitrile

Materials

Liner : Double layer (15 gauge seamless nylon outer liner with 10 gauge brushed inner liner) and impact resistant liner

Coating : Sandy nitrile

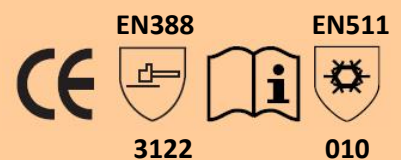

Size Available

M(8), L(9), XL(10), XXL(11)

CE Certification

EN388/EN511

Features

- The brushed inner liner provides warmth and withstand temperatures as low as -30 °C
- TPE pads offering excellent impact protection on both the back of a hand and fingers
- Softness of silicon TPR padding reducing hand fatigue compared to PVC and longer lasting
- Sandy nitrile surface offering good grip in both dry & wet environments and excellent oil & chemical resistance
- High visibility liner making the glove highly visible
- Cuff opening making it easier to don on and off, also with Velcro for secure fastening

Applications

- Oil & Gas industry
- Handling refrigerated objects
- Cold or unheated warehouses
- Any outdoor work in cold environment

Packing (Gloves are washed prior to packing for a clean and safe use)

6 pairs/polybag, 10 polybags/carton

Minimum order quantity

200 dozen pairs
