

Care about your hands. We do!

## TOG5V

### Description

Hi-vis cut resistant, impact & vibration resistant glove coated with sandy nitrile

### Materials

**Liner** : Hi-vis 13 gauge **Alkimos** cut D and impact & vibration resistant liner

**Coating** : Sandy nitrile

### Size Available

S(7), M(8), L(9), XL(10), XXL(11)

### EU Certification

EN420/BS EN 388:2016+A1:2018

EN388:2016

4X43D

### Features

- Silicon made TPE pads offering excellent impact protection on both the back of a hand and fingers
- Softness of silicon TPE padding reducing hand fatigue compared to PVC and longer lasting
- Genuine **Alkimos** cut D yarn throughout the glove and not just on palm guaranteeing full protection
- Sandy nitrile surface offering good grip in both dry & wet environments and excellent oil & chemical resistance
- High visibility green liner making the glove highly visible
- Special pads on the palm offering vibration protection
- Cuff opening making it easier to don on and off, also with Velcro for secure fastening

### Applications

- Oil & Gas industry
- Utility industry
- Mining

### Packing (Gloves are washed prior to packing for a clean and safe use)

6 pairs per polybag, 10 polybags (60 pairs) per export carton

### Minimum order quantity

300 dozens (or 3,600 pairs)
